How do we collect this personal information?

In the unlikely event that we need to share your information outside of FCS, we will seek your consent (where it has not already been given) and inform you with whom the information will be shared and for what purpose.

How long do we keep your personal information?

In most instances information about your membership will be stored for as long as you are a member and will be refreshed every 12 months on renewal. The exceptions to this are instances where there may be legal or insurance circumstances that require information to be held for longer whilst the issues are investigated or resolved. Where this is the case member/s will be informed as to how long the information will be held and when it is deleted.

How your information can be updated or corrected

To ensure the information we hold is accurate and up to date, members need to inform FCS as to any changes to their personal information. You can do this by contacting the membership secretary as detailed on the FCS Annual Programme card. Annually, you will have the opportunity to update your information, if necessary, through the membership renewal process. Should you wish to view the information that FCS holds on you, you can make this request by contacting the membership secretary, as detailed above. There may be certain circumstances where we are not able to comply with this request. This would include where the information may contain references to other individuals or for legal, investigative or security reasons. Otherwise we will usually respond within 14 days of the request being made.
